

TV API Voice over script

Child : Mommy, this place is nice!

Mother : I hope we could have an even better living place

Secondary school student : I wish to have a good career after graduation

Female start-up entrepreneur : I wish for a better economy

Male local tour guide : I'd like to see an even more attractive Hong Kong

The Chief Executive : I know we have many wishes for Hong Kong
Now is the best time to strive for a better economy
and improve our livelihood
I will deliver my third Policy Address this October
I welcome your views
and will listen to your wishes
Let's embrace the future together!
